2. G.O.Ms.No.2629.Dev. dated the 17th June 1947.
3. G.O.Ms.No.1551.Dev. dated the 6th April 1951.
4. From the Board of Revenue Ref.Z.228/51-3, dated the 21st December 1951.
5. From the Director of Controlled Commodities, RC. 68770/52-1 A1, dated the 29th July 1952.
6. From the Collector of Salem No.ROC.3955/51/LI, dated the 19th September 1952.

O R D E R:

In para 1 of the G.O.Ms.No.2629, Development dated the 17th June 1947 the Government declared that the conditions of service of the Non-Gazetted Staff i.e. Textile Control Officers, Textile Inspectors, Clerks, etc. employed in the Textile Control Department, are matters not suitable for regulation by rule. In para 2 of the same G.O. an order was issued specifying the authorities who might impose penalties on the subordinates in the office of the Provincial Textile Commissioner or in the Textile Control Department under Collectors. In G.O.Ms. No.1551 Development dated the 6th April 1951 the Government cancelled the Order relating to the imposition of penalties on the textile control staff issued in para 2 of the G.O.Ms.No.2629 Development dated the 17th June 1947 and issued an order specifying the authorities who could impose penalties on the subordinates in the office of the Director of Controlled Commodities and the Assistant Textile Commissioner (Madras) at Bombay. In Memorandum No.30933 MI/51-1 Dev. dated the 4th April 1951 the Director of Controlled Commodities was informed that in view of the orders in G.O.No.1551 Development dated 6th April 1951, the Textile Control staff under the Collectors should be treated as temporary additions to the cadres of corresponding services. The orders in para 1 of G.O. No.2629.Development dated the 17th June 1947 have to be modified to this effect. In supersession of orders in para 1 of G.O.Ms.No.2629 Development dated the 17th June 1947 the Government of Madras consider that only the Ministerial staff and Inferior staff employed for the work relating to textile control in the office of the Director of Controlled Commodities Madras and of the Assistant Textile Commissioner (Madras) at Bombay are matters not suitable for regulation by rule. This order will have retrospective effect from the 6th April 1951.

2. Under G.O.Ms.No.1880 Pub(Services) dated the 3rd September 1946 a member of a service or any class or category thereof shall be be entitled to count towards his probation in such service, class or category any period of service rendered by him in a corresponding or higher service class or category in the Textile Control Department if, but for his service in that department, he would have rendered service counting towards such probation. It follows therefrom that the period of service in the Textile Control Department counting for probation in the regular line, should be allowed to count for increment also in

in the regular line. The Government have therefore ordered in G.O. Ms.No.2684, Development dated the 17th October 1951 that the services of Tahsildars and Deputy Tahsildars in the Textile Control Department shall count towards their increment also in the category of Tahsildar or Deputy Tahsildar, as the case may be, in the Madras Revenue Subordinate Service to the extent to which they would have continued in those capacities in the regular line but for their service in the Textile Department. The Government now direct that the services of the Ministerial and Inferior staff of the Revenue department working in the Textile Control Department in the districts shall count towards their increment also in their corresponding categories in the Madras Ministerial and Inferior Services to the extent to which they would have continued in those capacities in the regular line but for their service in the Textile Control Department. This order shall be deemed to have come into force on the 17th June 1947.

3. The points raised by the Collector of Salem are clarified below:-

(1) whether the Ministerial staff of the Revenue Department working in the Textile Control Department under Collectors can be allowed to count their service in the Textile Control Department towards increments in their posts in the Revenue department and vice Versa.

The Collector has subsequently reported that a ruling on this point is required to dispose of the cases of one permanent Lower Division Clerk and one approved Probationer in the cadre of Lower Division Clerk of the Revenue Department who worked as Upper Division Clerk or Lower Division Clerk in the Textiles Section and who but for the appointment in the Textiles section would have continued in the Revenue department. Under the orders in para 2 above, such ministerial staff may be allowed to count their services during the period from the 17th June 1947 to 5th ~~May~~ April 1951 in the Textile Department to the extent to which they would have continued in those capacities in the regular line but for their service in the Textiles Control Department for purposes of increment. ~~From~~ From 6th April 1951 they are already eligible to count their service in the Textiles section for purpose of increments under Fundamental Rules 26(a) provided that they are fully qualified candidates.

(2) Whether the orders ~~xxi~~ issued in G.O.Ms.No.1551.Dev.dated the 6th April 1951 will have retrospective effect from 17th June 1947, viz. the date of issue of G.O.Ms.No.2629 Development dated the 17th June 1947.

The orders in G.O.Ms.No.1551.Dev.dated the 6th April 1951 which relate merely to the imposition of penalties on the subordinate staff in the office of the Director of Controlled Commodities and of the Assistant Textile Commissioner (Madras) at Bombay have no retrospective effect. Any ~~retrospective effect~~ disciplinary action taken by the various authorities under the order in G.O.Ms.No.2629 Dev. dated the 17th June 1947 will not stand annulled.

4. The Government direct that no claim for any arrears of salary or increment on account of the orders in paras 2 and 3 above, be allowed.
